### WASTE PAPER COLLECTION

The Bar Hill Cubs and Scouts are pleased to announce that the Paper Collection will recommence on Saturday 6th March 1982.

However this time we will not have the facility of a lorry driving around the village, but will have a trailer parked in the Car Park between Tesco and Gladeside. The company who are buying from us have stipulated that the paper or cardboard should be in tied bundles, and contain no polythene bags, so please help us by tying up your papers.

We will continue door-to-door, but would be very grateful to anyone who can bring their waste paper to the trailer.

Please support us as you did so well before.

Thank you.

### PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on Tuesday 19th January in the Committee Room in the Village Hall.

#### Tree

The Clerk reported that the Trees and Woodlands Officer of the District Council had recommended that the tree at the rear of 12 Gladeside should be felled as it was too close to the house and could cause damage to the foundations. The Parish Council agreed with regret to act upon this recommendation and the tree will be felled in the near future.

#### Farm House

Mr. Brunning made several recommendations as to the improvements and maintenance which is necessary to the exterior of the Farm House. Further quotes are awaited. It is also hoped to plant a screen of trees from the end of the Drift towards the Farm House. The matter will be discussed further at the next meeting.

#### Perimeter Wall

The Clerk reported that following the Council's decision to seek expert advice on the condition of the perimeter wall, three appointments had been made with the Building Inspector but in each case a survey had to be abandoned due to the weather conditions. The Council would like to apologise again for the delay in rebuilding the wall but the matter will be dealt with as soon as is practicable.

#### Increased representation

It was confirmed that Bar Hill is now entitled to an increase of two parish councillors, bringing the total number to 13 and that this would take effect from the Parish Council elections due to take place in May of this year. If you are interested in standing for election to the Parish Council, you may find it helpful to come along to Council meetings over the next few months and get an idea of procedure at meetings and general background to the matters at present under discussion.

LETTERS TO THE EDITOR:-

BAR HILL and the lessons learned from the recent period of adverse weather

We are all basically the same people or the successors of the people, who during the past fifty years have faced many cruel, devastating, and crushing blows and yet, we not only survived, but we came through a better and a more united community. Why? Because we worked together regardlessly for the Common Good of Rich or Poor, Strong or Weak, Young or Old. Admittedly our organisation recently brought to light several flaws - in short our planning had not covered all eventualities. But, and a very large BUT, should we not have done more to help ourselves!! Unless we develop a much greater sense of service to our neighbours we will never grow into the mature and great community that was envisaged in our conception. We are all, whether we like it or not OUR BROTHERS KEEPERS.

So my friends let us all resolve in 1982 to develop that Community Spirit which will make Bar Hill the envy of all our fellows in Great Britain. Please do not just complain and write letters but come forward and help each other whenever the need arises. By all means criticise and complain but also come forward and help when help is needed!!

I believe in Bar Hill and I love Bar Hill. It is a great idea and with all participating will be a happy and real home to us all.

A happy New Year to you all.

Derek Couzin-Wood  
District Councillor

N.S.P.C.C. HOUSE TO HOUSE COLLECTION

My thanks to everyone who helped to collect and all those who so generously gave to the N.S.P.C.C. house to house collection in October. A grand total of £100.89 was collected. The charity desperately needs all the financial help that it can obtain and I know that they were very pleased with the money that we at Bar Hill sent to them.

### Discussion Group on Social & Political Problems

We are interested in assembling a group of people who would be able to meet weekly on Monday evenings from 15th February for 6 or 7 weeks to discuss contemporary problems after a short introduction by someone knowledgeable on the subject. We think some people would like the chance to talk about topics like :

1. Can monetarism solve our problems ? ... an economist.
2. Industrial relations in U.K. ... a personnel manager.
3. Is nuclear disarmament sense or madness ?
4. World hunger. Is it worth tackling ?
5. Deprivation in the U.K. Is it avoidable ?
6. The health service and private medicine.

We would meet from 8 pm to 9.30 pm at 19 Acorn Avenue, unless numbers necessitate moving elsewhere. Please let me know beforehand if you are interested, or just turn up at the meeting. Our 'phone number is 81090, and the first meeting will be in our house on February 15th.

I am used to running discussion groups through my experience as minister of St. Columba's Church in Cambridge. Since autumn I have been working for the Social Services Department, and we are now living in Bar Hill.

We invite to these discussions both people who are Church members and equally people who are not.

Ronald Speirs.

TEA AT TWO

Tea at Two is on every Tuesday from 2.15 to 4.00 p.m. at the Church Centre.

Most of the people who come are mums with young children and babies, but we would welcome anyone of any age.

I arrived last year with a new baby and made nearly all my friends at Tea at Two. I'm sure there are many people in the same situation now, with or without babies! So, why not come along and have a chat? If you have any queries, please give me a ring.

We are having a Nearly New Sale with the emphasis on Children's clothes and equipment on February 16th. It will open at 2.00 p.m. to receive goods and you must be back by 4 p.m. to collect either your money or unsold articles.

Tea at Two will be going on as usual, so drinks and somewhere for the children to play will be available.

Don't forget that we have a list of babies equipment that you can borrow. If you have anything you can lend, please let me know.

Lastly an S.O.S. to any Pakistani or Urdu speakers in the village. If you can help, please give me a ring on 80277.

Thank you.

SOCIAL CLUB

It's pleasing to report a successful and entertaining Christmas and New Year period (it's a pity the decorations needed to be taken down).

A new and added attraction for the 1982 season is the Sunday Snowball, which is a free Draw starting at £15. If the member whose membership number is drawn is also present in the Club at the time, the £15 prize will be paid. If the prize is not claimed the following Sunday Snowball will be £20, increasing by £5 per week until won.

If you can sing, tell a funny story or possess a particular party piece watch out for details of our forthcoming Talent Contest.

If you are not yet a member and either live or work in the village, why not join. It's as simple as just calling in. You'll be able to enjoy a social drink without the need to drive and at prices which will pleasantly surprise.

### BAR HILL TOY LIBRARY

During February the Toy Library will be open on the following dates :

Friday 5th February  
Friday 19th February

from 2.15 p.m. until 4.00 p.m. in the Farm House.

As promised last month, news of the Toy Library fund raising event! We shall be having a coffee morning on Thursday 25th February, from 10.00 until 11.30 in the Church Centre. There will be a second hand toy stall, a cake stall, games and competitions for the children (or the adults, come to that!) and a raffle with some excellent prizes, including a bottle of champagne. Everyone is welcome, whether members of the Toy Library or not. There will be an opportunity for new members to join the Toy Library and a brand new reservations list on which members may reserve any toy for any date during the following three months.

Please come and give your support to the Toy Library, and help us to raise funds to buy more toys. We would like to get the Fisher Price School and one or more of the large Fisher Price trucks, but this depends on you! We would also be very grateful for gifts of cakes or used toys - so if you are having a post Christmas clear out, please don't throw those old toys away - save them for the Toy Library. Please ring me if you would like contributions for the cake or toy stall to be collected.

### BAR HILL TODDLER GROUP

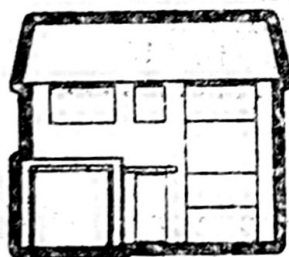

Does your toddler drive you mad ? If so, have you ever thought of bringing him to Toddler Group, where he can be noisy in the company of other toddlers ? (Who knows, you may not even notice one among so many!)

Seriously, though, our toddlers aren't noisy all the time, and all of them seem to thoroughly enjoy their 1½ hours at Toddler Group. There are so many things for them to do, including activities like painting, glueing, sand and water play, that they may have never done before. Their mums get a (free) cup of tea, and the chance to meet and talk to other mums, with many friendships being made as a result.
